ANOTHER MASS SHOOTING IN SACRAMENTO --

ASK SAN BERNARDINO POLICE DEPARTMENT WHEN I SAID:

"IF YOU DO NOT LISTEN TO ME, THERE IS GOING TO BE ANOTHER MASS SHOOTING"

[OF COURSE, I AM NOT THE SHOOTER]

I SAID THAT TERM, IN A SUBMISSION REPORT TO THE FBI - IN CONTEXT -- THE WHOLE TEXT - IN LITERAL TERMS - EXACTLY OF COURSE -- THERE IS ALWAYS WILL BE MASS SHOOTINGS

[IF WE DO NOT INCORPORATE SOMETHING FROM LISTENING TO ME AND LIKE URGENTLY -- 911 SOS MAYDAY CQ CQ EMERGENCY -- STOP, LOOK, AN WHY?

YOU ALL CAN NOT EVEN ANSWER THAT SIMPLE QUESTION AND ANSWER -- SIMPLE ANSWER -- WHY?

I KNOW!

IS IT SO SO SO EASY TO ANSWER -- NATURAL LAW -- ???

THEY ARE OCCURRING BECAUSE WE ARE NOT BEARING OUR POLICIES OF GOVERNMENT UNDER NATURAL LAW.

WHAT IS HAPPENING IS BESIDE WE HAVE ABANDONED NATURAL LAW -- YOU ALL ARE IQ OF 80 I WOULD HAVE TO ASSUME - THAT YOU ARE NOT AWA FUCK YOU ALL HATERS!

YOU HAVE NO MORALS -- YOU HAVE NO MORALS AND YOU HOLD NO OFFICE [OFFICER] OF AUTHORITY IF YOU HAVE PLEDGED YOURSELF TO A DIFFE YOU HAVE AT THAT PLEDGE OF OUTSIDE OATH YOU ARE AT THE TRIE NEED TO BE EXTERMINATED OUT OF YOUR FAISE CAPTURE OF INSUBJECT

YOU HAVE A THAT FEELING OF OUTSIDE CATHY - YOU ARE AT THE TRUE NEED TO BE ELIMINATED OUT OF YOUR FALSE CAPTURE OF INSURRECT PEACE - YOUR AGENDA IS WAR.

INFORMATIONAL WARFARE AND CYBERWAR ARE ALREADY ACTIVE IN THIS WAR - EVEN IF THE GOVERNMENT HAS NO OFFICER TO THAT NEED OF DI ENFORCEMENT NATIONALLY --

I CALL FOR SOMEONE ELSE -- NOT MYSELF - TO GATHER THE DOCUMENTED EVIDENCE AND THEY [HOPEFULLY ONE OF THE TRUE POLICE OFFICERS DANGEROUS IT WOULD BE TO ATTEMPT AN ARREST - IF THAT BE TOO DANGEROUS - TO FIGHT FOR THE COUNTRY AND SHOOT FIRST AND ASK QUES HATE COLLECTIVE HAS GROWN TO BE EMBEDDED EVERYWHERE IN THE [CIVIL SOCIETY FUNCTION OF FACTION] OF the #THINBLUELINE Detail.

What Is Natural Law?

Natural law is a philosophical and ethical theory stating that humans possess intrinsic traits, such as moral values and the ability to make rational decisions. A good and evil. It is a universal and constant law based on human nature and remains unaffected by culture, custom, or society.

The reasoning-based decision-making behavior allows humans to focus on what is morally correct. It also establishes a connection between the law and morality, r positive law in that there is no interference of the judiciary or legislature in it.

Presenting the foundation of ideas for the development of a new technology interface of an assisted conflict resolution system. In our world, we have intractable conflict go to a lack of communication tools that focuses on unification. Counter to what one might think, our society with the current popular mainstream social media tool platfor are generating one more media marketing frenzy to the profit of companies at the expense of addiction and mental health. Our society is being hijacked by technology. 1 way...]. I propose a two-tier cooperative development project. First, the introduction of a morality currency accounting and tracking system called #Kramobones. Second will enable the temporary human to human or human to group collective purpose bonding presence of the peace and reconciliation binding knot of #Mpatapo. These two system and much can be utilized in the entire adinkra Set of symbols to the creation of a new communication tool. The way adinkra is communicative effective is found ir form new understandings across culturally different lifestyles. There are over a hundred adinkra symbols in use today. Malicia is a concept in Capoeira that is both simple and complex. Its Latin root, mal, meaning 'bad,' or 'ill,' would imply a concept of evilness. However, contextually in Capoeira, is the art of deceiving your opponent and tricking them into a compromising position.

What is Disability Inclusion?

Including people with disabilities in everyday activities and encouraging them to have roles similar to their peers who do not have a disability is *disability inclusion*. This involves more than simply encouraging people; it requires making sure that adequate policies and practices are in effect in a community or organization.

Inclusion should lead to increased participation in socially expected life roles and activities—such as being a student, worker, friend, community member, patient, spouse, partner, or parent.

Socially expected activities may also include engaging in social activities, using public resources such as transportation and libraries, moving about within communities, receiving adequate health care, having relationships, and enjoying other day-to-day activities.

"Now there is rejoicing in heaven for you were lost, and are found; you were dead, and are now alive in Christ Jesus our Lord. Abide in peace. The Lord has put away all your sins."—Reconciliation of a Penitent, p. 451, Book of Common Prayer

Before there was the cross, there was the Mpatapo. It is a West African symbol that represents the bond or knot that binds disputing parties to a peaceful, harmonious reconciliation—a symbol of peacemaking after strife. It's a sign of peacemaking not only with others, but with the universe and with one's self. I thought it would be a great symbol to combine with the topic of one of the least-used rites of the Book of Common Prayer—The Reconciliation of a Penitent.

TO WHOM IT MAY CONCERN:

Mr. James Driskill has been a client of mine for Individual Psychotherapy since October 30, 2006. He has been attending Foothill AIDS Project's (FAP) "Living Well With HIV/AIDS" men's Support Group on a weekly basis since September 2006. He was self-referred for Individual Psychotherapy.

Mr. Driskill sought treatment for a high level of stress and anxiety primarily regarding his housing situation. He became homeless in Oakland earlier in 2006 and is currently residing with his family and extended Family in San Bernardino. In addition to his unresolved eviction in Oakland he was not able to secure immediate housing through the AIDS Housing Program in San Bernardino County due to a waiting period for each new applicant. These events resulted in Mr. Driskill experiencing a high level of anger and frustration.

While in both settings of therapy, Men's Support Group or Individual Psychotherapy, Mr. Driskill accepts the fact that he has an upfront, in your face style of confrontation. The men and I have come to realize that his style is primarily a reaction to his extreme level of frustration and we have learned not to be put off by his style. In these affirming settings he has learned to modify his style of confrontation which should continue to improve. I have also been impressed with how Mr. Driskill has sought out resources on how to understand and to cope more effectively while experiencing an almost complete lack of support from agencies and individuals. One such resource was the book "Please Understand Me: Character & Temperament Types", Kiersey, Davis and Bates, Marilyn.

His Mental Health and HIV Health status were both clinically affected by his housing crisis in Oakland and here in San Bernardino. He is currently responding well to the treatments and his prognosis is good. However, I believe that until there is an appropriate resolution (he wants an absolution) of his housing conflicts, he will remain in a vulnerable state regarding his overall HIV and Mental Health status.

Sincerely,

Howard W. Newsom PhD.
